Supplemental Information

MCCC is a part of the local community mental health organization committed to not only providing foster homes but a quality mental health based treatment approach to address the trauma and attachment issues related to foster care. MCCC offers an in house psychiatrist available for evaluation/medication management, nurturing parenting, family therapy, TF-CBT, and substance abuse services. We strive to meet the needs of all children and develop appropriate qualifications to do so.

Describe How the Program Supports Family Connections

MCCC is committed to supporting family connections where appropriate. Our foster parents transport children to family visits; ensure phone calls are made/received as permitted by DCBS; and therapist assesses and provides family counseling when recommended by the treatment team and approved by DCBS as in the best interest of the child. Our staff also supervise visits when requested by the DCBS worker.
