"Necco is a family company that serves at-risk youth through therapeutic foster care, alternatives to secure detention, independent living, in-home, mental health, parent education programs and more. We believe in harnessing the power of a strong family, experienced staff, and a robust community to make a positive and lasting difference in a child's life. Working with foster parents, state workers, service providers and community resources we provide a holistic approach to children's services that stands to benefit not only the child, but the community as a whole. Our therapeutic foster care program currently provides treatment foster care placements for youth ages birth to 21 years and includes: intensive in-home case management, comprehensive treatment planning, 24-hour emergency assistance & ongoing support, after school and summer programming, independent living programming, mental health evaluations, individual and group therapy, frequent outings for foster families and experienced, helpful, friendly staff including licensed therapists and other professionals. We serve a wide range of youth populations including the most difficult children and those with a history of severe mental health issues and/or criminally delinquent behaviors. We strive for a 24-hour response on all referrals and are always willing to assist with emergency referrals. The

## Describe How the Program Supports Family Connections

Encouraging phone contacts between youth and biological family, scheduling home visits for youth with their family and providing transportation to and from visits, include biological family in Treatment Planning meetings, keeping biological family involved in school progress and encouraging family therapy.
---

## Special Interventions Available Internally

In addition to weekly case management services, treatment planning and 24-hour crisis support Necco provides a wide range of specialized therapy interventions, such as crisis interventions, random drug screenings, working with youth who are victims of domestic and family violence, juvenile sexual offenders, sexual abuse victims, substance abuse, reactive attachment, PTSD, ADHD, CD, ODD, depression and other mood disorders. Our highly trained counselors, clinicians and therapists work alongside case managers, state workers, foster parents, and other stakeholders to provide quality services that include goal-directed, psychosocial treatment and support to youth and their families. We also specialize in crisis interventions, family group decision making and critical stress debriefing.
