NECCO Independent Living program is designed to provide support to 18 to 21 year old's who have made the decision to extend their commitment with the state. IL client's must be obtaining their GED or high school diploma, be enrolled in college full time, working full time, or going to school part time and working part time. Our apartment are located close to the bus line for the purposes of accessing community resources such as education, employment, medical facilities, etc. Currently, we have apartments located in Richmond and Lexington. Youth will receive weekly case management which includes discussing education, employment IL skills, health and wellness, permanency, and parenting skills if applicable. All clients will have access to 24 hour crisis support, and local psychiatric providers can be assessed by youth if medication management or evaluation is needed. Therapeutic services are also offered through NECCO. We will accept youth that do not have a high school diploma or GED (we will assist the youth with obtaining once in our program). All IL staff have been trained to complete the ASAP suicide assessment All therapeutic staff can complete substance abuse (PADDI-5) and domestic violence assessments for IL youth as well as offer C.A.R.E skill training (Child-Adult Relationship Enhancement skills building).

## Describe How the Program Supports Family Connections

Positive family connections are monitored and supported as participants are 18 years of age or older and can chose the level of interaction they have with family.

## Special Interventions Available Internally

Mental Health screens, Youth Strengths and Needs Assessments, Comprehensive treatment planning, networking with community resources for IL skill education, knowledge of resources, and parenting skills during Independent Living groups monthly. Therapeutic services include the following: motivational interviewing, Cognitive Behavioral Therapy, TF-CBT techniques, play therapy techniques, and solution focused.
