**Supplemental Information**

The staff at Necco Paducah have a wealth of experience working with youth needing to focus on increasing and improving independent living skills including but not limited to achieving academic goals, obtaining and maintaining employment, creating and following a budget, completing household chores, instilling responsibility, empowering confidence and enhancing their ability to succeed. Necco Paducah provides furnished apartments in three different locations. Each apartment is close to a college campus, food/store, and employment opportunities. We meet the youth regularly, facilitate meetings with mentors, and schedule monthly group sessions teaching independent living skills, and creating a support system for the youth. Qualified mental health providers are on staff for therapy services when needed and requested. We will accept youth that do not have a high school diploma or GED (we will assist the youth with obtaining once in our program). All IL staff have been trained to complete the ASAP suicide assessment All therapeutic staff can complete substance abuse (PADDI-5) and domestic violence assessments for IL youth as well as offer C.A.R.E skill training (Child-Adult Relationship Enhancement skills building)

## Describe How the Program Supports Family Connections

At Necco . . . We Build Families! We know the Power of Family and we work with each youth to strengthen family bonds and connections. Each youth has a permanency goal as part of their individualized treatment plan. We work with the youth, state worker, biological family when possible, and any other positive supportive connection to build the youth's independence, success, and goal achievement.

## Special Interventions Available Internally

Monthly Independent Living Classes; internal therapeutic services, internal mental health services; stipends twice monthly, additional funds if attending school and maintaining employment, transportation assistance.
