Describe How the Program Supports Family Connections

New Hope, Inc. invites all stakeholders to attend all treatment planning meetings, case conferences; Foster parents & staff have provided transportation to families in need. New Hope, Inc. supports the idea of Family to Family conferences, while participating in CHFS 5 day treatment planning meetings when appropriate and will assist in assuring that natural family participates in the child's treatment when deemed appropriate by CHFS. This agency often encourages on site supervised family visits for the natural families. We encourage all siblings visits and family visits when allowed.

Special Interventions Available Internally
