Omni Visions primary focus is to support children and families while ensuring youth achieve timely permanency. Omni provides quality services including: therapeutic case management, 24-hour crisis intervention, independent living skill assessment and mental health treatment including psychiatric and medication management services with community providers. We specialize in trauma informed care as well as ongoing training for parents and staff. Our goal is to "do whatever it takes" to provide stable placements to youth while partnering with DCBS and other community partners to prevent disruptions or unnecessary moves for children. Our Foster Parents are equipped with evidenced based de-escalation techniques such as Together Facing the Challenge to promote healing so our children can reach their fullest potential. At Omni, we deliver results by utilizing the youth's strengths while nurturing their needs. We accept referrals 24 hours a day, 7 days a week.

Describe How the Program Supports Family Connections

Omni Provides Evidence-Based Programming Structured Analysis Family Evaluation (SAFE). SAFE is a comprehensive, best practice home study methodology used to evaluate families for adoption and foster care. It was developed by the California Consortium for Children and is currently used in 15 states. Child and Adolescent Needs And Strengths (CANS). CANS is a clinician-rated assessment tool that is strength based, culturally responsive, and family focused. It is currently being used statewide in 16 states and has a presence in an additional 22. Together Facing the Challenge (TFC). This program was developed at Duke University Medical Center's Department of Services Effectiveness Research Program. TFC has been rated as an evidence based practice by the California Evidence-Based Clearinghouse for Child Welfare.

Special Interventions Available Internally

Because Omni Visions believes that children do best when raised in their own families, we are committed to doing "whatever it takes" to help return children home when safely possible.
