## Describe How the Program Supports Family Connections

RE provides transportation for youth home visits as approved by worker; Telephone contact, visits and family counseling are encouraged and available; Family is encouraged to be involved in informing the Comprehensive Assessment, treatment plan development and implementation; RE supports case plans developed by DCBS worker and participates fully in planning and transition services. Foster Parents provide coaching and modeling to parents when applicable. RE also supervises visitation when appropriate. When reunification occurs, RE refers to our outpatient behavioral health program, Re-group, for aftercare services to ensure the family has ongoing support.

## Special Interventions Available Internally

RE provides crisis intervention by FC staff; educational support services by case management and clinical staff; several REH-TFC Case Manager's have been trained in CARE Model, Strengthening Families, and Yoga for Resilience. Several REH-TFC Therapists have been trained in Yoga for Resilience, Strengthening Families, PCIT, Play Therapy, AutPlay, Family Therapy, Emotionally Focused Family Therapy, DBT, EMDR and TF-CBT.
