**Supplemental Information**

All SJCH TFC children and foster families receive 24/7, 365 days per year crisis on call availability, with a Foster Care Specialist AND a Master's level clinician on call at all times. SJCH TFC places heavy emphasis on appropriate matching of clients and families, as well as providing intensive clinical support for successful permanency – whether that be adoption, reunification, or independent living. We offer a variety of homes available for foster and/or concurrent care. All children receive intensive therapy provided in-home, in-agency, and/or in the school/community settings. Clinicians and case managers are experienced in managing complicated reunification processes, therapeutic visitation, special education advocacy and pre-and post-adoptive care. SJCH TFC provides a post-adoptive after care program to support the fragile post-adoptive period for our children and families.

## Describe How the Program Supports Family Connections

SJCH TFC offers a variety of homes available for foster and/or concurrent care. All children receive intensive therapy provided in-home, in-agency, and/or in the school/community settings. Clinicians and case managers are experienced in managing complicated reunification processes, therapeutic visitation, special education advocacy and pre-and post-adoptive care. Each child is assigned a Foster Care Specialist [minimum Bachelor's level degree] and a Master's level Therapist who collaborates with the full treatment team including the biological family in achieving the permanency goal. SJCH TFC provides therapeutic and/or supervised visitation and transportation assistance to family visits per CHFS recommendations. Clinical staff are experienced in providing trauma treatment, and family treatment to progress towards reunification.

## Special Interventions Available Internally

SJCH TFC provides specialized trauma treatment to each child by Master's level clinicians. 24/7 dual layer crisis care available 365 days per year. Intensive therapy is provided in-home, in-agency, and in the school/community settings. Foster parents are provided with 24/7 crisis support, clinician led Parent Support Group, and monthly activities for collaboration and networking. Foster Parents are supported by a Retention Specialist and training program providing ongoing trauma-focused and attachment parenting resources. Foster Care Specialists and therapists are well versed in special education advocacy and trauma recovery.
