Supplemental Information

All SJCH TFC children and foster families receive 24/7, 365 days per year crisis on call availability, with a Foster Care Specialist AND a Master's level clinician on call at all times. SJCH TFC places heavy emphasis on appropriate matching of clients and families, as well as providing intensive clinical support for successful permanency – whether that be adoption, reunification, or independent living. We offer a variety of homes available for foster and/or concurrent care. All children receive intensive therapy provided in-home, in-agency, and/or in the school/community settings. Clinicians and case managers are experienced in managing complicated reunification processes, therapeutic visitation, special education advocacy and pre-and post-adoptive care. SJCH TFC provides a post-adoptive after care program to support the fragile post-adoptive period for our children and families.

Describe How the Program Supports Family Connections

SJCH TFC offers a variety of homes available for foster and/or concurrent care. All children receive intensive therapy provided in-home, in-agency, and/or in the school/community settings. Clinicians and case managers are experienced in managing complicated reunification processes, therapeutic visitation, special education advocacy and pre-and post-adoptive care. Each child is assigned a Foster Care Specialist [minimum Bachelor's level degree] and a Master's level Therapist who collaborates with the full treatment team including the biological family in achieving the permanency goal. SJCH TFC provides therapeutic and/or supervised visitation and transportation assistance to family visits per CHFS recommendations. Clinical staff are experienced in providing trauma treatment, and family treatment to progress towards reunification.

Special Interventions Available Internally

SJCH TFC provides specialized trauma treatment to each child by Master's level clinicians. 24/7 dual layer crisis care available 365 days per year. Intensive therapy is provided in-home, in-agency, and in the school/community settings. Foster parents are provided with 24/7 crisis support, clinician led Parent Support Group, and monthly activities for collaboration and networking. Foster Parents are supported by a Retention Specialist and training program providing ongoing trauma-focused and attachment parenting resources. Foster Care Specialists and therapists are well versed in special education advocacy and trauma recovery.
