Setting: Rural

On Site School: Yes

Male Operational Bed Capacity: 30 **County(s) of** Pulaski;

Female Operational Bed Capacity: 0 **Program or**

Either Sex Operational Bed Capacity: 0 **Foster Homes:**

Supplemental Information

Sunrise's Cumberland Adventure Program (CAP) provides treatment for clinical and behavioral issues through therapeutic outdoor adventure experiences concerted with clinical intervention. The clinical team at CAP are trained in Trauma Focused - Cognitive Behavioral Therapy and utilize with appropriate clients. In addition, CAP utilizes therapeutic outdoor adventure activities that include primitive camping, backpacking-hiking, and low/high ropes challenge courses. The adventure activities are structured to require clients to take personal initiative, make decisions and be accountable for the results. CAP provides an on-campus school under the direction of the Pulaski County Public School District. For youth that are not able to reunite with their family, Sunrise's continuum of care provides opportunity for youth to step down to less restrictive placement options that support and reinforce the treatment modalities and behavior management skills gained at CAP.

Well Being

Does this program have a PCC Foster to Adopt Agreement?:	No	Educational Disruptions in the Past Year:	0
Adoptions by the Program's Foster Homes in the Past Year:	N/A	School Changes in the Past Year:	0

Describe How the Program Supports Family Connections

Family sessions are conducted by licensed therapists and program staff work with the family to ensure that visits (both supervised and unsupervised) are successful. The program also works with family regarding transportation issues. Beginning at the halfway point in the program, therapeutic home visits are scheduled to begin reuniting the client and family, and to allow time to work on problem areas discovered during the visits. In addition, the family is invited to and encouraged to attend Monthly Treatment Plan Reviews.

Special Interventions Available Internally

The Alpine Tower and the Odyssey course provide a challenging high ropes course that is a major tool in helping youth increase self-esteem and group cohesion. The campus includes 3 residential cabins, each under the supervision of a residential manager/therapist who provides clients with individual, group and family therapy. To assist with travel and save expenses for families and DCBS, our campus has the capability to do family sessions and other meetings via Zoom, Skype and GoToMeeting.
