**Supplemental Information**

Benchmark Family Services provides quality services including therapeutic case management, 24-hour crisis intervention, as well as mental health treatment with independent psychiatrists. Our therapist is certified in TF-CBT. Each therapeutic foster child receives therapeutic services twice monthly or more often as needed. Each youth has a thorough psycho-social assessment by a qualified Treatment Director with identified needs addressed on the youth's treatment plan. Therapeutic Support Specialists provide monthly Treatment Status Reports to the referring agencies and include them on all treatment plan meetings. Each child receives case management services once weekly or more often as needed. Benchmark Family Services' Therapeutic Support Specialist will also provide the foster family with a minimum of two therapeutic home visits and one out of home visit per month. Benchmark Family Services always has a 24 hours emergency phone available for foster parents and youth. Specialized trainings are provided for the foster parents as needed as well. Safety plans are developed at placement when needed as well, which also includes sexual safety plans when applicable.

## Describe How the Program Supports Family Connections

Benchmark works with the family and child to achieve reunification as directed by the DCBS worker. Family is invited to Treatment Team meetings, visitation and they receive a copy of the treatment plan each time one is updated. Foster children are encouraged to remain in contact with their parents. Family therapy is available as requested by DCBS.

## Special Interventions Available Internally

24 hour emergency phone available at all times for foster parents and youth, disruption meetings, specialized foster parent training as needed. Individual therapy, family and sibling therapy, psychiatric services.
