Describe How the Program Supports Family Connections

Whenever possible, families are involved in treatment planning, regular family therapy and visitation while a resident is participating in the program. Staff members also work with families to develop aftercare plans and to secure community resources prior to reunification.

Special Interventions Available Internally

Supervised ILP provides more intensive life skills training including hand over hand assistance to learn skills to prepare for transition to IL. Boys and Girls Haven offers therapeutic interventions to meet the individual needs of our residents. These interventions include substance abuse services, JSO counseling, equine-assisted therapy, athletic programs and cultural activities. We assist eligible residents with enrolling in higher education programs. All residents participate in IL skills training, targeted life skills education, vocational training and job placement services.
