Supplemental Information

Hope Hill's treatment foster care program provides safe therapeutic foster homes for youth ages 0-21. The program provides a full array of therapeutic services including individual therapy, family therapy and psychiatric services. If needed, we also offer intensive in home services for youth who are experiencing many disruptions in the home. We seek to provide youth with weekly support through case management and monthly home visits.

Adoptions by the Program's Foster Homes in the Past Year:	0	School Changes in the Past Year:	12

Describe How the Program Supports Family Connections

Hope Hill's therapeutic foster care program supports family reunification by encouraging families to become involved in the treatment planning process and through individual and family therapy. We also can offer supervising therapeutic visits, if needed. Hope Hill's program facilitates regular communication between youth and family members, and assists with transportation of youth for visitations.

Special Interventions Available Internally

Hope Hill's therapeutic foster care program provides services for youth with a wide variety of issues and needs including youth with sexual and physical abuse and neglect histories. We are a certified Seven Challenges location for Adolescent Substance Abuse Issues. Our individual therapy consists of motivational interviewing, anger replacement therapy, cognitive-behavioral therapy, and trauma focused behavioral therapy. Hope Hill has an on site nurse who completes Nursing Assessments within 72 hours of intake and is available 24/7. All youth 18 or older with mental health and/or Substance Abuse issues can participate in peer support services. Hope Hill's therapeutic foster care provides 24/7 hour crisis intervention.
