REGIONAL INTERAGENCY COUNCIL

We Need PARENT VOICE

- Represent the voice of parents with a child or transition-age youth (birth to age 25) with behavioral health needs
- Participate monthly as a voting member
- Receive \$50 for your participation at each monthly meeting
- Connect with decision-makers to support better outcomes for youth in communities
- Gain experiences to build your professional resume
- Earn additional \$25-\$50 for participating in other meetings

PARENT REQUIREMENTS

- Parent (biological, adoptive, or relative caregiver with permanent legal custody) who is raising, or has raised, a child with mental health or co-occurring mental health and substance use challenges who has been or is a client of at least one service to address these challenges, prior to the age of 21
- Be the voice for Kentucky families with children receiving services and supports within the system of care
- Connect with other parent and family leaders and be willing to share, as appropriate, their lived experiences about barriers and strengths within the system
- Demonstrate passion to assist others
